FOR HIM

Summer camps are no longer just for kids. "Kidult" camps, where adults relive their kid-camp experiences, are springing up everywhere, creating a new market for apparel in the tourism industry.

MODERN

Traveler

FOR HER

Opportunities for travelers are infinite as society embraces new concepts such as “co-working” camps and “workations.” Work hubs are popping up in remote parts of the globe, changing what it means to go to and dress for the office.
