

# STYLE ~~/~~ MASH-UP

FOR HER

Patterns, colors and styles are being mashed up in joyful, fun and creative ways. Match wardrobe building blocks like t-shirts and hoodies with a suit or skirt to create a look that's surprisingly ageless, comfortable and of-the-moment. Mix floral, plaid and camo patterns for a fresh, fun, personalized look for her.

Don't be afraid to **MIX PATTERNS** - keep one or two colors in common to create a look that is fun but not overwhelming. Add empowering *embroidered messages or graphics* to truly make the style your own.

# STYLE MASH-UP

FOR HER

Don't let what you wear define your age... instead take an **AGELESS APPROACH** with unusual style combinations. Pair a bold graphic tee under a blazer for a look that's fresh whether you're 25, 55 or 75 years old.
