SCHOOL STYLE TRENDS

ATHLEISURE LIVES ON

Just as in the workplace, schools and campuses are seeing more athletic styles with fits and fabrics that perform in the gym, during a pop quiz or at the glee club.

BE AN INDIVIDUAL

Being a part of the team matters but expressing one's own style remains essential. Personalized touches and flexible uniforming guidelines still present a unified team look.

COLOR, FOR THE WIN

School and team colors are quick to bring the crew together, but don't forget about bright pops to highlight a logo, unique decorations and throwback shades of neon.
