Gift Giving Trends

Focus on Family Time

A decrease in the experience gift market means an increase in **meaningful physical gifts** that foster a sense of togetherness.

Think Sustainably

Disposable, single-use plastic gifts are out this year. What's in?

Cozy comforts that help us settle in for a long winter.

Seek the Great Outdoors

The popularity of outdoor activities has risen through the roof in the last year, and we're not letting a little rain or snow stop us from **enjoying our time outside**.
