# YG100 PORT AUTHORITY® YOUTH STRETCH PERFORMANCE GAITER

CHARCOAL

DEEP NAVY

JET BLACK

TRUE ROYAL

WHITE

Designed to perform, this Port Authority® gaiter incorporates HeiQ Viroblock treatment into the fabric. HeiQ is a Swiss-based provider of antiviral and antibacterial solutions and you can learn more about them at [www.heiq.com](http://www.heiq.com).

Sized for smaller faces, this youth gaiter features an elastic binding to help keep it in place when worn as a face covering. Multifunctional and versatile, it can also serve as a headband, neckerchief, hood and sun guard.

95/5 poly/spandex

Dimensions: 8" x 10"

UPF rating of 50+

Machine washable

Elastic binding at the top

Not intended for children under age 4
